

ABOUT US

Angelic Academy was founded over thirty years ago on a belief in the value of arts education. Our studio provides positive dance, as well as vocal and musical theatre, programs for youth in our community. We believe students, like snowflakes, are unique; each one is a special creation with individual abilities. Our instructors use positive reinforcement to help each student develop their own special talents and become the best they can be. Dance and various forms of performing arts are fun, rewarding, and can help students grow as individuals!

We offer combo classes, classical ballet, pointe, jazz, tap, lyrical, contemporary, hip-hop, acro, musical theatre, vocal, and more. Angelic Academy is one of the only local studios to offer dancing, singing, and acting in one location.

Angelic Academy aims to keep teaching standards high and costs low so that every child has the opportunity to excel with their dance training. Prices are monthly fees based on the number of hours per week a student attends classes.

We also attend competitions where students have the opportunity to compete as a triple threat (dancing, singing, and acting).

We have a fun, safe, and supportive environment so that every dancer has a great experience. Our instructors teach with an emphasis on technique, allowing your dancer the opportunity to take their training to the next level.

Competition team members receive special unlimited monthly prices based on their age and level, as well as discounted rates for families with additional siblings.
