

## **MICHAEL BURNETTE**

Michael began tumbling and acro at the age of 10 in the All-Star competitive cheer world. Throughout the years, he has enjoyed acting and tumbling roles in a wide variety of shows and movies, and has taught acro for over 15 years. He was involved in two "Bring It On" movies as one of the main male tumblers and stunt men. Michael brings an extensive background in the acro world having taught at all levels. He is very motivated and driven to help catapult Angelic Academy of Dance across all departments. In his free time he enjoys acting and is still a member of the Actors' Equity Association. Although he has retired from tumbling himself, he is very active in his classes and has a hands on approach to coaching.
