

STEPHANIE NELSON

Stephanie Nelson's roots in singing began with music theater and an open mind to classical styles. Her interests led to her study music at Florida Gulf Coast University where she obtained a Bachelors in Music Education with a Choral emphasis, as well as a Bachelors in Performance in Voice. During her studies at FGCU she was accepted into a study abroad program through the university that took her to Szeged, Hungary. There she performed in two concerts with her fellow students, as well as participated in daily master classes. As a member of the Chamber Choir, she also went abroad to the Baltic States to perform with the group. Stephanie was also chosen as a soloist for the FGCU's Opera Workshop. Today she continues to be a part of the music community while teaching private voice lessons and participating in theater productions in the SWFL area.
