AUDITION RESULTS

Audition results will include the following criteria and will be emailed to the address you have provided above by Sunday, May 25th:

1. **"STAR" OR "STELLAR" TEAM PLACEMENT** Based on age, experience level, and how much you want to compete. These teams will also be split into smaller subgroups for technique classes to allow for more hands-on and level-appropriate training.
 2. **"NOVICE", "INTERMEDIATE", or "ADVANCED" COMPETITION LEVEL** Based on technical skill, experience level, and movement/performance quality - this is required to be assigned to each dancer for entry to all competitions. If you are performing a solo, this is the level at which you will compete. Placements and successes from past competition seasons are considered when deciding if a dancer should "level up", but the studio directors have sole discretion of all level assignments. This level is subject to change over the summer based on progress.
 3. **SOLO/DUET/TRIO ASSIGNMENT** If you filled out the solo/duet/trio interest portion of this form, we will confirm any special routines that have been assigned to you. Final assignments of choreographer, routine style, song choice, etc. will be made over the summer.
- *** To give our choreographers time to plan and our dancers time to grow throughout the summer, all group routine assignments will be released at the end of July, just prior to the start of choreography month in August.
